

Dear Manara Families,

I hope you are having a great weekend!

Last week, students in grades K-6 spent time learning about the solar eclipse. It was a great experience for all, and I am glad we could authentically share this event with our students.

We are in the process of refining our carpool process. We need your support and collaboration to ensure a safe and proper dismissal for all students. Please keep in mind the following:

1. Carpool tags have been sent home with your oldest child for grades K-6. New numbers have been issued this year, and **the green tags are no longer valid.**
2. Each and every family should have only **one** number to avoid confusion.
3. All TAGS should be visible throughout your time in the carpool line to expedite the process.
4. Help your child to memorize their carpool tag number.
5. If you have children in both buildings, please pick up your child in the 5-6 building first and then proceed to the K-4 building.
6. If your child is being picked up by someone else, you should provide them with the **PINK** carpool tag which will enable them to pick your child up. If the person picking up your child **doesn't have the pink tag**; he or she will be asked to go to the front office for identity verification.
7. During carpool, as cars exit K-4 building, they are expected to turn **right only.**

We appreciate your help! If you have any questions, please let me know.

--Dr. Hall

REMINDERS AND UPDATES

- All students must wear their school uniform. For grades K-5, it is a hunter green Manara polo, khaki bottom, and tennis shoes. Sixth grade students wear a black Manara polo, khaki bottom, and tennis shoes.
- Unless a student is late or a meeting is scheduled, parents must take their child through carpool. If your child arrives after 7:45, you must park your car in a parking space and walk your child in the building to sign him or her in.
